## About Us

With an enriching experience of **10 years**, we have emerged as a renowned manufacturer and supplier of **Pet Bottles, Pet Jars, HDPE Bottles, Plastic Closures, Spray Pumps and many more products related to Plastic Packaging** in the market. These products are light in weight, sturdy in construction and possess a longer functionality.

We have also expertise in developing customised Bottles for our prestigious customers who like to develop some unique shapes in the bottles which would enhance their products by different type of packaging.

we also provide Aluminium Foils and have also started with UV metalising on our caps which all together gives an amazing and unique look to the product.

We always look forward to develop some unique thing for customer.

We are supported by a team of diligent and dedicated professionals, which strives to gain maximum client satisfaction by providing superior products to them. Being a quality conscious organization, we ensure that our products conform to the market set quality standards. Our products are packed hygienically and stored in the spacious warehousing facility available with us. These products are delivered to the clients within the stipulated time frame. These products find extensive usage in commercial as well as residential sectors.
